SMILE JOURNEYS

Real patients. Real results.

Cases treated at Goel Dental, as published on the clinic's site. Results vary between patients.

◆ CONFIRM CONSENT FOR EACH CASE

Midline gap. Six E.max veneers, finished in two days.

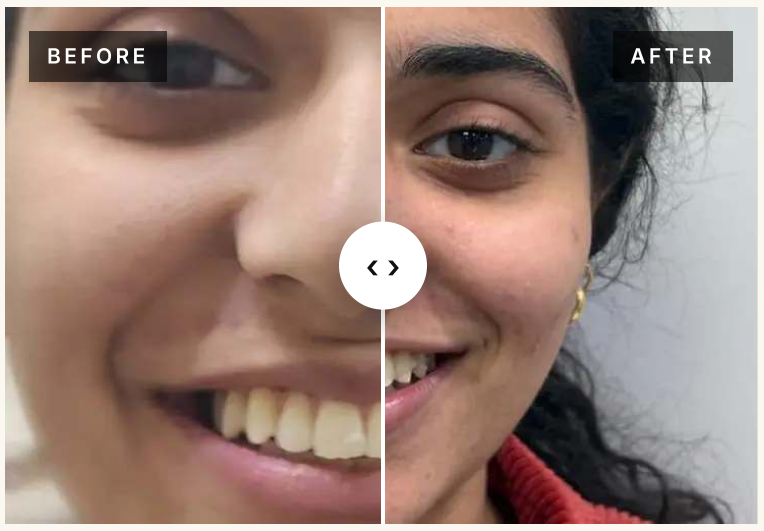

Chipped front teeth. Four E.max ceramic veneers in one day.

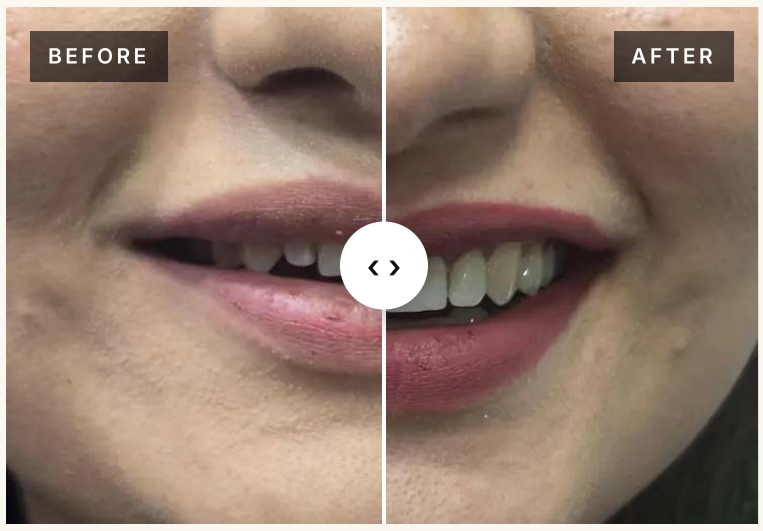

Uneven teeth. Two CAD/CAM composite veneers, single visit.

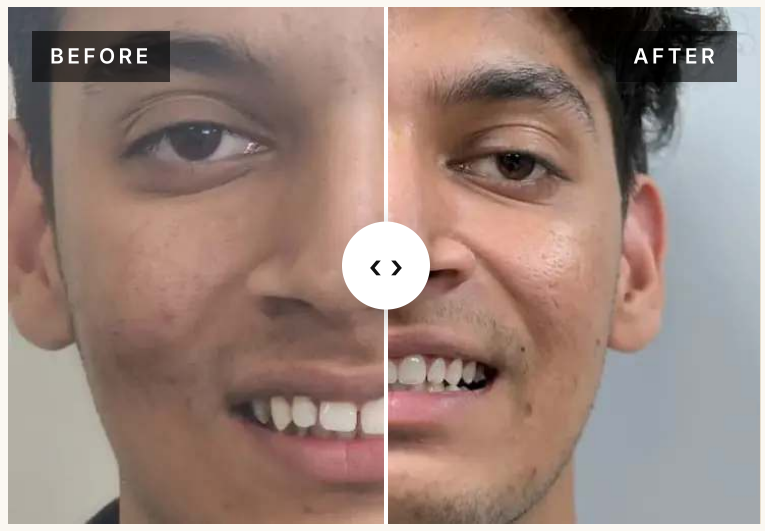

Fractured teeth before a wedding. Two hybrid ceramic veneers.

Invisalign: protruding teeth corrected.

Front-teeth veneers.

Invisalign: gaps closed.

TREATMENTS

Whitening, veneers, alignment and replacement.

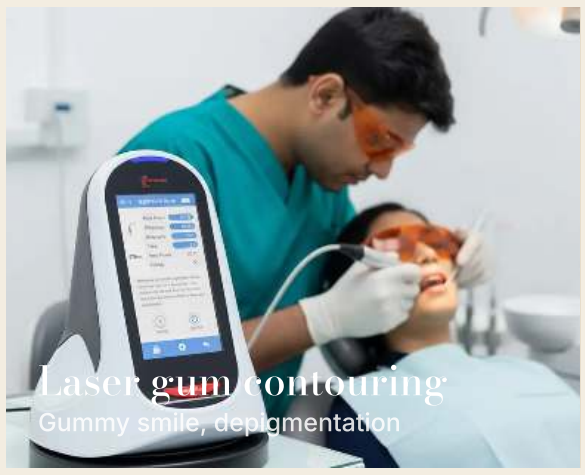

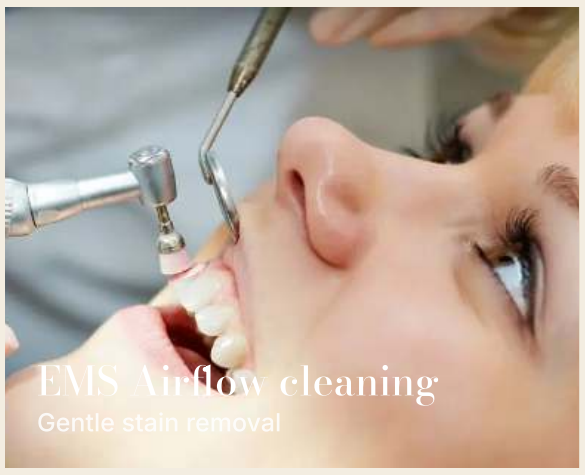

SAME-DAY DENTISTRY

Crowns and veneers in one visit.

A digital scan replaces messy impressions. The crown or veneer is designed on screen with you, milled in the clinic and fitted the same day. No temporary tooth, no second trip.

01

Scan

Intraoral scanner, no impression trays.

02

Design

You see the shape and shade on screen.

03

Mill

CAD/CAM milling in the clinic.

04

Fit

Polished and bonded the same day.

Equipment named on the current site: CEREC CAD/CAM, dental microscopes, digital scanners. ◆ CONFIRM EQUIPMENT LIST
